What Do We Do?

Working from premises in Workington, we preserve, restore, operate and display locally important road transport vehicles.

This includes buses built by Leyland at their Lillyhall factory, or operated by Cumberland Motor Services and Stagecoach.

We also give a home to a small number of fire service vehicles, including our 1981 Dodge, and an ex Sellafield Scammell recovery truck.

A selection of our vehicles and our sales stand can be seen out and about throughout the year at a number of events in the county.

How can you help?

- **Join the Trust.** Adult rate is only £10 a year, for which you receive a quarterly colour newsletter and the chance to volunteer.

- **Visit our shop** on Workington railway station. This is open several days a week – check our website for opening hours.

- **Come along to events** to see our vehicles and sales stand. Look out for us at Distington, Cockermouth & Keswick and other shows.

- **Win up to £25,000** by supporting our cause in Allerdale's local lottery. More at www.allerdalelottery.com

- **Travel** on one of our free heritage bus services, such as our Boxing Day service or park & ride shuttles at local shows.

- **Support our day trips by coach** – look for details at our website or Facebook page.

Friends of Workington Station

Some of our green fingered members work to enhance the appearance of our local railway station.

New flower beds, hanging baskets, heritage signs, repainting, and minor maintenance are carried out to create a flavour of LMS days.
